Net Set Go

The Net Set GO program is also currently underway, taking place on Thursday afternoons. Due to the 11's also training and Auskick followed by footy training, The Precinct is buzzing on Thursday's. Currently we have 60 participants across the three levels. Net and Set participants are coached by Emily Romeo and Tessa Kirk, with help from Zoe Hahn, Millah Schwarz-daSilva and Chelsea Gutsche. GO/U9 Development participants are coached by Reshika Patterson, Sarah Pritchard, Anita Leach and Michelle Pannell with help from various mums and 13's. It's great to see current and past players as well as our junior players giving back to the club and giving these young netball stars people to aspire to and a chance to learn from their heroes.

Under 9 Netball (Go Participants)

As well as training on a Thursday night, the Go Girls have been competing in an unofficial U9 development competition on Friday nights. With enough girls participating to form 4 teams, these girls have been playing as curtain raisers to the A1 & A2 matches or internal games which is giving them lots of game exposure. The girls are doing so well and are improving every week.
