

Loxton Netball Club

Newsletter - Issue 1 2024

— Welcome to the 2024 Season —

The Loxton Netball Club aims to create a supportive, family friendly and competitive culture for all ages competing in the Riverland Netball Association. Filling grades from Under 11 to senior A1 level along with our own NetSetGo program, meaning we welcome players of all ages and abilities to our club.

Please follow both our public and private Facebook pages and website to stay up to date during the season.

Committee Members - Mackella Hogan, Kate Westbrook, Kerri Blaser, Sarah Walding, Alicia White, Lynley Seaman, Corrine Andriske, Anna Cozens, Georgia Knauer

———— Loxton Junior Carnival ————

Our annual Junior Netball Carnival will be held on Sunday, June 30th. Please mark this date in your diary, as it is an important fundraiser for the club. Players & parents will be asked to help in some way to make this a successful day. More information will be advised closer to the date.

———— Merchandise ————

As the season kicks off, it's the perfect time to show your support for the Tigers with some stylish merchandise. If you're looking to stay cozy and fashionable, our Embroidered Jumpers are a great choice. You can easily place your order through Surf to Suit or directly on our website. Remember, the deadline for these orders is Monday, April 29th, so don't miss out!

As the season progresses, you'll find a variety of items to choose from. Whether you're in need of a new jacket, vest, shirt, printed jumper, cap, or even a trendy bag, we've got you covered. All these fantastic items are conveniently available for purchase on our website as well as at Tri State. Show off your team spirit in style this season!

Communication

Coaches & Team Managers will use the most convenient method of communicating with players and parents/carers, either by notes, texts, email or messaging.

Coaches & Team Managers are your first port of call to seek any information required or to raise any concerns. Committee Members can also be contacted.

Throughout the season we will continue to keep you informed through newsletters, Facebook and our Website. We believe open communication is vital for our club to have a successful season.

All Club Policies & Procedures including Newsletter's can be found on our website

Fill In's

Single game vouchers are moving away from paper to online. In 2024 we will use up left over paper vouchers from last year as they are cheaper than the online QR vouchers. Last year's paper vouchers can only be used in 2024 before all vouchers move to QR codes in 2025. All venues will have QR codes displayed that link to an online voucher form.

Away games:

If you know you'll need a voucher before the weekend, you can contact Prue 0407611475 and she will arrange to get a voucher to you. If you require a voucher on the day, you will have to use the QR code located at the away team's venue to generate an online voucher.

The player (or the parent of the player) will need to enter the player's details and sign consent via the QR code. It might be as simple as directing the fill-in player (or parent) to do this and then approaching the scoring bench to check that the player appears on the tablet. At venues that don't have WIFI you may still need to manually enter the fill-in player on the tablet (and the scoresheet).

Home games:

Paper vouchers will be located in the white plastic tub under the scorebench inside the Precinct. Please only use these for LNC teams - don't give them to the away teams. Other clubs must use the QR code. No payment is not required for paper or QR vouchers because it is an assumption that coaches will use club fill-ins rather than unregistered fill-ins and therefore use of vouchers will be minimal.

Note that using the QR code does not require any payment on the day by the voucher player. The club is invoiced by Netball SA for these QR code vouchers.

Rolling Substitutions

This season the RNA have introduced rolling substitutions, this will be implemented across all grades. Please see below.

- Teams can make substitutions during play, in addition to during stoppages and intervals.
- There is no limit to the number of substitutions allowed, and multiple substitutions can be made at any time.
- Substitutions must occur within the designated substitution zone in front of the team bench area.
- During a substitution, the player coming onto the court must tag hands with the player leaving the court before entering the field of play.

Training Nights

Tuesdays

15A & B - 5.00 - 6.15
