Loxton Netball Club

Club Information, Guidelines and Policies

Storage Keys: 3-sets of keys (comprising of a storage key and breezeway key) Currently held by Leah Uren, Carly Thiele & Lisa Schlein.

Precinct Fobs: Yet to be issued

Pre-season/Registration:

To be conducted by a senior player/coach during February/March. All registrations to be completed online through PlayHQ. Dates to be advertised in the High School and Primary School newsletters, flyers and via Facebook, Instagram & LNC Website.

Trials:

To be conducted during February & March on advertised dates. Independent selectors (3) will be used for all grades, junior and senior.

Senior - first 2 trial weeks will determine A1/A2 squad, second 2 weeks will be used for remaining grades.

Junior – one panel used for 11s, one panel used for 13s, one panel used for 15s, one panel for 17s. To be conducted over 3 weeks unless a fourth is required.

2 umpires will be required for each court.

Selection Policy:

The Club's Selection Policy to be included in the online registration form.

It is also available on the club website.

Parents of Junior Players and Senior players to agree to the Selection Policy when registering.

Uniforms:

Check supplies in January/February of each year to determine what needs ordering.

Specific individual orders will be based on details received at Trials & Trainings

Games Contact:

Contact details including name, contact phone numbers and email address

need to be supplied to RNA for publication in season program.

Court Bookings:

Bookings for pre-season, trials and team trainings to be organised by Games Contact with Belgravia contact. Changes to normal training times during the season must be made by the team's Coach. *Coach must advise the Secretary (loxtonnetballclub@gmail.com) of changes or cancellations for trainings*

Match bookings will be handled by the Games Contact.

Stadium –

Wet Weather:

As many games as possible will be played inside The Precinct, however when there is a round with a lot of teams playing at home the outdoor courts will be utilised.

Umpire Payments:

To be set by Committee pre-season. Payment schedule will be based on umpire's grading. Records to be kept by Game's Contact with payments made on Presentation Night.

Fill-in/Provisional Players:

Single game vouchers are moving away from paper to online. In 2024 we will use up left over paper vouchers from last year as they are cheaper than the online QR vouchers. Last year's paper vouchers can only be used in 2024 before all vouchers move to QR codes in 2025. All venues will have QR codes displayed that link to an online voucher form.

Away games:

If you know you'll need a voucher before the weekend, you can contact Prue 0407611475 and she will arrange to get a voucher to you. If you require a voucher on the day, you will have to use the QR code located at the away team's venue to generate an online voucher. The player (or the parent of the player) will need to enter the player's details and sign consent via the QR code. It might be as simple as directing the fill-in player (or parent) to do this and then approaching the scoring bench to check that the player appears on the tablet. At venues that don't have WIFI you may still need to manually enter the fill-in player on the tablet (and the scoresheet).

Loxton Netball Club

Club Information, Guidelines and Policies

Home games:

Paper vouchers will be located in the white plastic tub under the scorebench inside the Precinct. Please only use these for LNC teams – don't give them to the away teams. Other clubs must use the QR code. No payment is not required for paper or QR vouchers because it is an assumption that coaches will use club fill-ins rather than unregistered fill-ins and therefore use of vouchers will be minimal.

Note that using the QR code does not require any payment on the day by the voucher player. The club is invoiced by Netball SA for these QR code vouchers.

Team Bags/Equipment:

Each team bag requires playing and practise bibs, B&F slips and envelopes (provided by RNA), 2 timers, First Aid Provisions and basic fitness gear. Each team will also receive a set of training balls. To be distributed after Trials and collected on Presentation Night. All documents that have previously been in team folders will be available on our website <https://www.loxtonnetballclub.sa.communitynetball.com.au>.

Player Agreement Forms:

The Club's Player Agreement form is to be linked to online registration form. It is also available on the Clubs Website. Parents of Junior players and senior players to agree to the Player Agreement when registering.

Junior Carnival:

Scheduled on Sunday of the last weekend in June - U11, U13, and U15 age groups. As it is the Club's major fund raiser, all Club members are expected to support the day in some way. The Junior Carnival Committee, is responsible for the organisation.

Door Duty:

Junior teams will be rostered to man the door on Friday night home Stadium games. A float and cash tin is provided by the Club. The Club Treasurer is required to transfer takings to RNA.

Newsletters:

3 per season - samples on Secretary's portable hard drive.

- Before 1st game
- Before Junior Carnival
- Before last minor round game

Trophies:

A local supplier should be used. Need to be ordered at least 2 weeks prior to Club Presentation Night (PN). A1 and 17A Perpetual Trophy's to be collected from previous recipients for engraving prior to PN. A smaller trophy to be given to recipient.

Season's Results:

Records of team members, coaches, final's results, B&F recipients (Club and RNA), new Life Members are required for AGM and Club records.

AGM:

To be conducted in October of each year (as per Club Constitution). Quorum 5 members. Committee to consist of: President, Vice-President, Secretary, Assistant/Minutes Secretary, Treasurer and 5 Committee members.

RNA Delegates:

2 representatives from the Committee must attend required meetings and report back to the Committee. Consistency in reps attending is recommended.

*****This document must be reviewed annually.***
